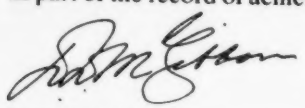
Chairman's Report

The year 1983-84 was an auspicious one for the Ontario Arts Council.

OAC celebrated the 20th anniversary of its founding and marked the occasion with the publication of *For Arts' Sake*, a history of the Council and of recent arts development, written by Roy MacSkimming.

It was also the year the Ontario Government chose to review the situation of the arts in the province, setting up in April 1983 the Special Committee for the Arts, chaired by Robert Macaulay. At the end of that year, the Committee issued its report, which among other things, pronounced the arts flourishing in Ontario and called for renewed government commitment to their support through the OAC.

We are gratified by the Special Committee's endorsement. And we are proud of the attainments of the arts in Ontario over the last two decades. We offer this annual report, which chronicles some 2,000 talented artists and 1,000 worthy arts organizations and events, as part of the record of achievement.



Donald W. McGibbon
Chairman, Ontario Arts Council

Rapport du président

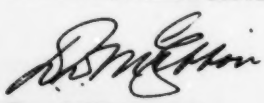
L'année 1983-1984 a été favorable au Conseil des Arts de l'Ontario.

Le CAO a célébré le 20e anniversaire de sa création et a souligné cet événement en publiant *Pour l'amour de l'art*, de Roy MacSkimming, un historique du Conseil et un compte rendu des innovations dans le monde des arts.

C'est également au cours de cette année que le gouvernement de l'Ontario a décidé d'examiner la situation des arts dans la province. En avril 1983, le Comité spécial pour les arts a été créé et placé sous la présidence de Robert Macaulay. À la fin de l'année, le comité a publié son rapport et souligné que le monde artistique était en effervescence en Ontario. Les auteurs du rapport ont également demandé que le gouvernement renouvelle ses engagements par l'intermédiaire du CAO.

Cette sanction du Comité spécial nous réjouit. De plus, nous sommes très heureux de l'importance qu'occupent les arts depuis vingt ans. Le présent rapport annuel, qui porte sur environ 2,000 artistes et 1,000 organismes et manifestations artistiques, témoignent du rôle que jouent les arts dans la vie de la province.

Président, Conseil des Arts de l'Ontario



Donald W. McGibbon

Arts/Education

There has been an increased awareness of the value of the arts in the education of our young people.

The Ontario Arts Council's Arts/Education Office assists school touring companies with grants toward operations, special projects and the creation of new work. The Creative Artists in Schools program provides assistance for professional creative artists of all disciplines to work directly with students in the school setting.

The Ontario Arts Council's support in this area offers unique artistic opportunities to Ontario's young people.

Les arts jouent un rôle très important maintenant dans l'éducation de nos jeunes.

Le Bureau des Arts/Éducation du Conseil des Arts de l'Ontario fournit aux groupes artistiques qui font des tournées des subventions au titre des frais d'exploitation, des projets particuliers et de la création de nouvelles oeuvres. Le programme des Artistes créateurs dans les écoles offre une aide aux artistes créateurs professionnels de toutes les disciplines qui désirent travailler directement, dans le milieu scolaire, avec les élèves.

L'aide que fournit le Conseil des Arts de l'Ontario dans ce domaine offre aux jeunes de l'Ontario une occasion unique de connaître le monde des arts.

Community Arts Development

From Kenora to Cornwall, community arts development in the province is alive and growing.

In co-operation with the Ministry of Citizenship and Culture, the Community Arts Development Office offers support to regional and local arts councils, arts organizations, festivals and groups wishing to promote arts activities in addition to providing grants for craftsmen and native development in the arts.

With such financial assistance and the help of thousands of dedicated volunteers throughout the province, Ontario's cultural life abounds.

Dance

Classical and contemporary styles are reflected among the creative individuals and organizations within Ontario's dance community.

Professional dancers, non-profit dance companies and dance service organizations have shared in the support provided by the Ontario Arts Council's Dance Office towards the development of new choreography, operations, touring and festivals.

As the demand for dance continues to grow in the province, Ontario citizens will benefit from performance opportunities as a spin-off from OAC's support to the dance community.

Film, Photography & Video

Individuals who use film, video or still photography as their medium of expression contribute much to the artistic environment in which we live.

Many of these artists are assisted in their work by Ontario Arts Council film and video production grants. In addition, OAC provides project and exhibition grants to photographers and support to screenwriters. Non-profit organizations, festivals, seminars or professional development programs serving the needs of artists working in these disciplines also receive OAC assistance.

Public support of these artforms has been growing, giving Ontario citizens greater opportunity to see and share the talents of these creative people.

Franco-ontarien

De Hawkesbury à Hearst, en passant par Toronto, Windsor et Sudbury, la communauté artistique ontaroise reflète l'authenticité de la culture française des gens d'ici.

Le Bureau franco-ontarien du Conseil des Arts de l'Ontario, offre un éventail de programmes de subvention, adaptés aux besoins spécifiques des artistes, compagnies et organismes ontarois.

Le Conseil offre des subventions aux théâtres, centres culturels, festivals, galeries d'art et maisons d'édition, de même qu'aux artistes en arts plastiques, chansonniers, dramaturges et écrivains.

Les franco-ontariens ont ainsi accès à cette culture, qui leur est propre et qui est aujourd'hui en pleine effervescence.

Literature

In seeking our own identity, many Canadians are turning to the work of this country's creative writers.

The Ontario Arts Council's Literature Office assists many Ontario-based writers, poets, publishers, periodicals and literary organizations with grants towards the creation, publication, or distribution of Canadian literature.

Such grants enrich the lives of Ontario citizens by providing increased access to Canadian literary works.

Officer: **Steve Stevanovic**

Music

Music in concert halls, music in theatres, in libraries, in school gymnasiums, in churches, in shopping malls, museums and galleries — there is scarcely a corner of Ontario which does not enjoy live music performance.

Increasingly these performances are given by soloists, small ensembles, choirs and orchestras resident in Ontario. Through its assistance toward operating costs, special projects and training, OAC's Music office encourages the development of excellence at all levels, both artistically and administratively, in communities across the province.

Furthermore, through an extensive program of grants for the purpose of commissioning new music, and special awards for the performance of contemporary music, Council helps to ensure that our Canadian creative talent will have a voice in our rich musical environment.

Ontour

Volunteer touring sponsors are the backbone of cultural development in the province.

The Ontario Arts Council's Ontour Office assists these community sponsors through grant programs which enable them to engage professional performances. In addition, touring consultants provide counsel and advice in establishing and maintaining touring programs.

Ontario audiences have been the beneficiaries of OAC assisted performances featuring more than 3,000 performers in close to 140 communities.

Les organismes de parrainage bénévoles sont la force de l'efflorescence culturelle de la province.

Le bureau Ontour du Conseil des Arts de l'Ontario aide les organismes de parrainage communautaires grâce à des programmes de subventions qui leur permettent d'engager des artistes de calibre professionnel. De plus, les conseillers des tournées donnent des conseils et des consultations aux parrains pour qu'ils puissent établir et maintenir des programmes de tournées.

Les auditoires de l'Ontario ont pu profiter des spectacles grâce aux subventions du Conseil des Arts de l'Ontario. Ces spectacles ont regroupé plus de 3 000 artistes dans pres de 140 communautés.

Theatre

The continuing development of regional theatre and Toronto's recognized position as Canada's major entertainment centre, maintains theatre in a leadership position in the cultural life of Ontario.

Assisted by the Theatre Office of the Ontario Arts Council through its programs towards operations, projects and new play development, this growth affords citizens of the province the rich opportunity to experience the work of the Ontario theatre companies and playwrights.

Visual Arts

The Ontario Arts Council assists and supports the development of Ontario's visual artists by providing grants for creation, exhibiting, programming, training and criticism.

Such assistance develops the work and the growing recognition of the work created by these artists throughout Ontario and beyond. In so doing, it contributes not only to the career of the artists, but to the cultural enrichment of the province and its people.

Arts plastiques

Le Conseil des Arts de l'Ontario soutient les arts plastiques en aidant les artistes à se développer; il subventionne à cette fin la création, les expositions, les programmes, la formation et la critique.

Grâce à cette aide, l'oeuvre des artistes prend de l'ampleur et gagne en réputation dans tout l'Ontario et au-delà. Ce faisant, la carrière de l'artiste en bénéficie, et la province et ses habitants s'enrichissent au plan culturel.

Auditor's Report

To the Province of Ontario Council for the Arts and to the Minister of Citizenship and Culture.

I have examined the balance sheet of the Province of Ontario Council for the Arts as at March 31, 1984 and the statement of income, expenditure and retained income for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, these financial statements present fairly the financial position of the Council as at March 31, 1984 and the results of its operations for the year then ended in accordance with the accounting principles described in note 1 to the financial statements, applied on a basis consistent with that of the preceding year.

In accordance with section 11 of the Arts Council Act, a report on the audit has been made to the Council and to the Minister.
